## 6 KEY OBJECTIVES OF SHARE

- Support ASEAN in building a stronger, more effective regional higher education space with ASEAN-branded scholarship scheme at its core and with robust regional framework for quality assurance and recognition of qualifications, as well as digital transformation through virtual exchange programme and credentialing system.
- Narrow the development gap in ASEAN with Cambodia, Lao PDR, Myanmar, & Vietnam (CLMV).
- Draw on European experience to build the common higher education space in Southeast Asia.
- Serve as a platform to connect policies-universities-students-employees in regional higher education.
- Contribute to further development and competitiveness of ASEAN, its 10 Member States and its 650 million citizens.
- Support strengthening of ASEAN identity among future graduates through intra-ASEAN regional mobility.
