## SHARE Programme Announcement on Interim Phase

The European Union “Support to Higher Education in the ASEAN Region” (SHARE) programme has entered an interim phase. The first contract for the management consortium (the British Council, DAAD, ENQA and Nuffic) ended on 30 June 2020.

The European Union is in the process of agreeing with ASEAN Euro 5 million increase of funding for a two-year extension of the programme. The EU plans to engage the same consortium to implement the two-year extension phase for SHARE later this year.

In advance of the start of the SHARE Extension phase, all enquiries related to the current SHARE programme should therefore be directed to Mrs. Destriani Nugroho at the EU Delegation to ASEAN.
