

SHARE POLICY DIALOGUE

SHARE supports ASEAN on a policy level by engaging key ASEAN stakeholders in Policy Dialogues to support policy-making in regional higher education.

SHARE organises stand-alone policy dialogue events to bring together stakeholders for discussion on policies focusing on the technical aspects delivered within the Higher Education scope (Qualifications Framework, Quality Assurance, Credit Transfer System and Mobility scheme).

SHARE produces series of policy brief targeting wide audience from policy makers, universities and students. The publication is available in www.share-asean.eu
