

QUALITY ASSURANCE

SHARE'S SUPPORT TO ASEAN

SHARE supports harmonisation of the ASEAN HE area through the formulation of ASEAN HE frameworks, taking into account good practices from the European Higher Education Area (EHEA) and building upon the work already underway across the ASEAN region.

SHARE contributes to capacity building for ASEAN HE stakeholders in the field of Quality Assurance (QA): External Quality Assurance Agencies (EQAAs) and other public authorities in the field of QA, Higher Education Institutions (HEIs) and their academic communities.

SHARE strengthens the further development of the ASEAN Quality Assurance Framework (AQAF) by combining European and ASEAN expertise: the joint development of guidelines, pilot reviews of EQAAs, institutional assessments of HEIs by ASEAN and EU experts as well as national and regional dissemination seminars and trainings in ASEAN Member States.
