HORIZON 2020

EU Framework Programme for
Research and Innovation
2014-2020

HORIZON 2020

WHAT IS HORIZON 2020?

- *A €80 billion research and innovation funding program (2014 -2020)*
- *A response to economic crisis by investing in future jobs and growth*
- *It addresses people's concerns about their livelihoods, safety and environment*

HORIZON 2020: Open to the world

GENERAL OPENNESS

*Horizon 2020 is open to participation of researchers from anywhere in the **world**, to:*

1. Any project can include international partners (ambition: increase international participation)

2. Targeted opening

In some topics identified in the calls for proposals, inclusion of international partners is either:

- a) encouraged or
- b) required

3. Coordinated Calls

Rules of participation

- Applicants from non-EU countries are **eligible to take part** in Horizon 2020 programmes, even as coordinator
- All proposals must meet certain **minimum conditions** (in Rules for Participation)

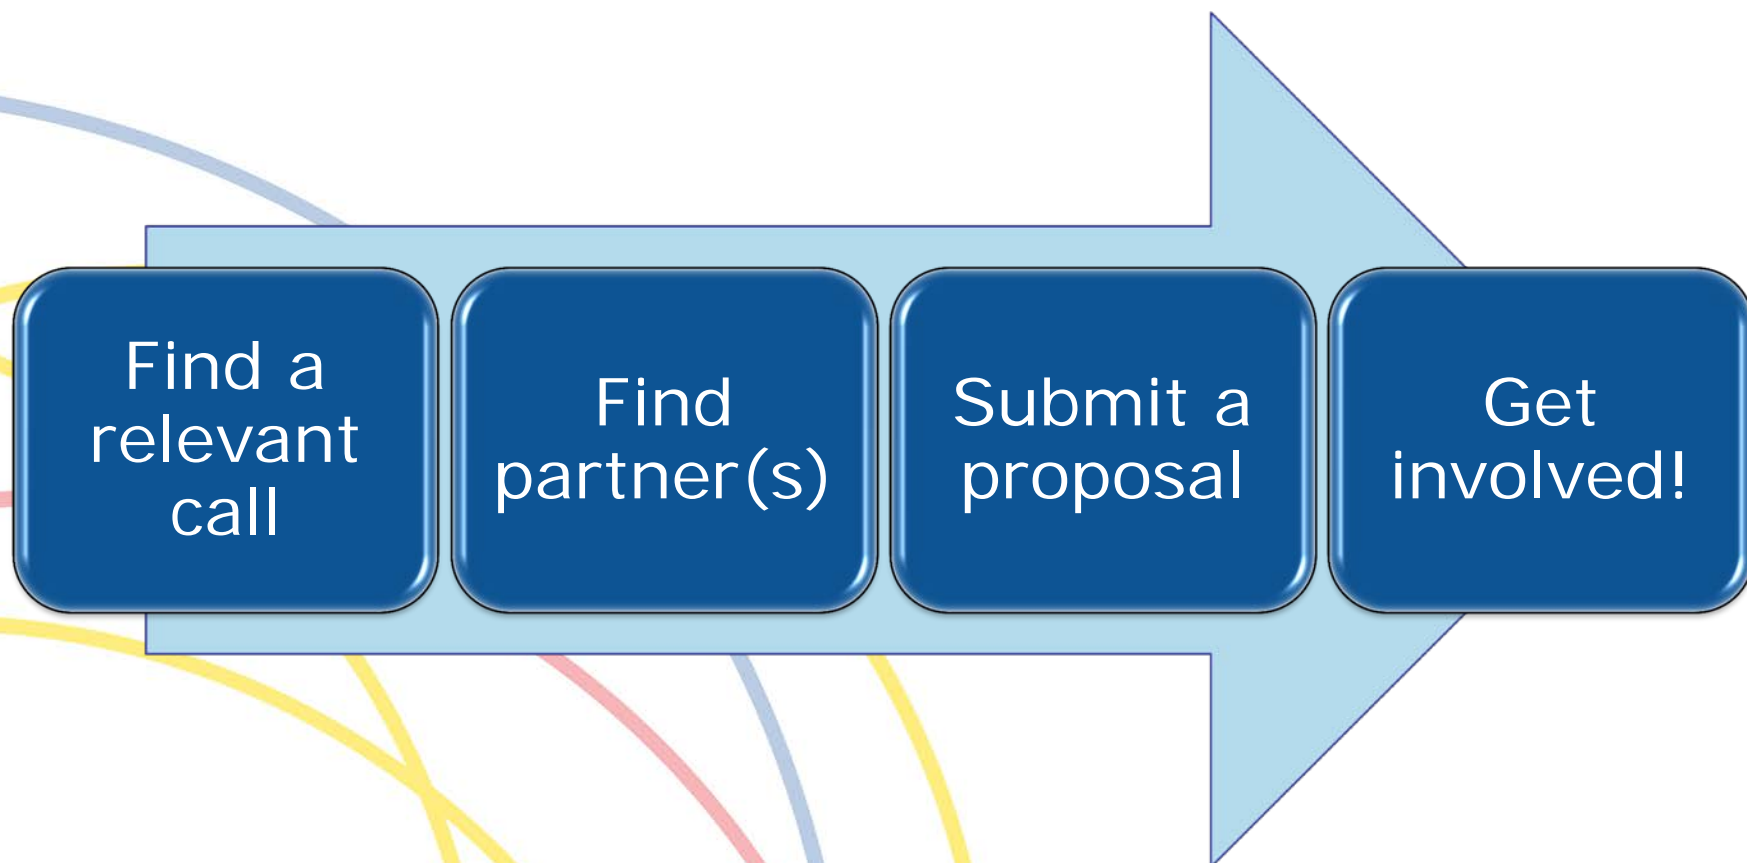

Minimum Conditions:

- For standard (cooperative) research projects:
 - 3 participants from different Member States or associated countries

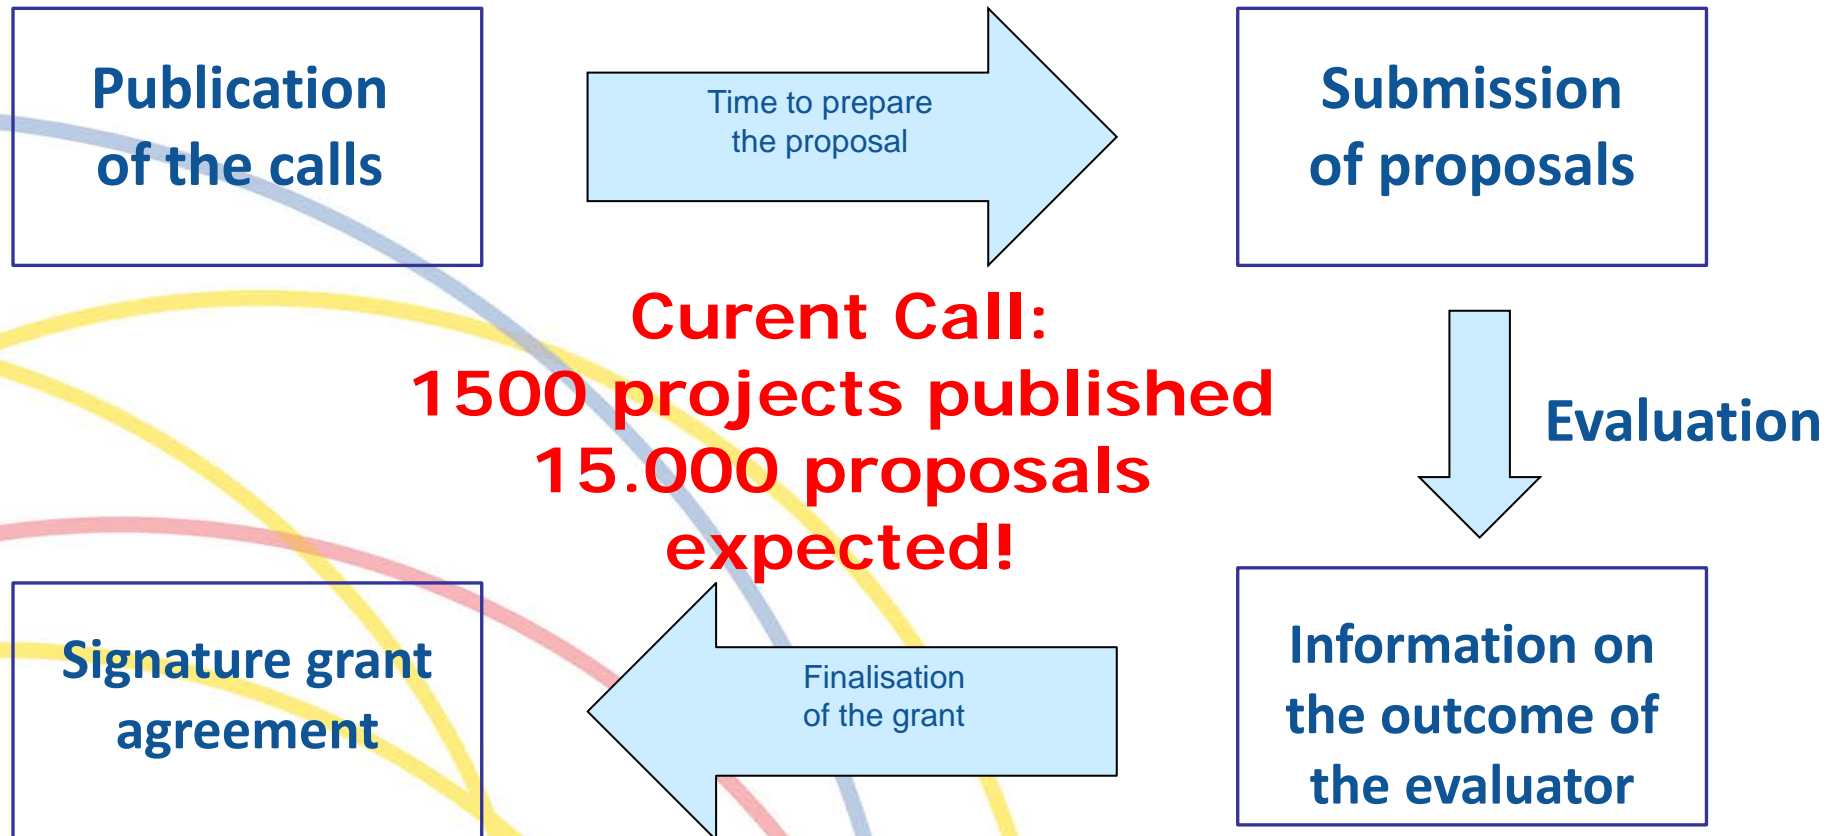

In addition, participants from any other country in the world can also be included

- For actions aimed at individuals, like European Research Council or Marie Skłodowska-Curie:
 - 1 researcher
 - 1 host institution
 - 1 project
